Subject: RE: Cement Association MAY Meeting/Keynote Request

Hi there,

There are no ethics concerns with respect to this event. It may be important to know that the organization extending the offer is a lobbying organization. The White House Ethics Pledge prohibits acceptance of gifts from lobbyists, but as there is no gift offered, the Ethics Pledge is not implicated. This information is provided solely for your consideration. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the

invitation are registered lobbyists or lobbying organizations, therefore if the official speaks, he must be careful about the organization offering her a tangible gift to take home with her.

Acceptance of Free Attendance (including meals)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

Subject: RE: Speaking Request Form

Hi Sydney, I can't find a record of this particular event either, so here's the advice!

There are no ethics concerns with respect to this event. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are not registered lobbyists or lobbying organizations, therefore the Ethics Pledge is not implicated.

Acceptance of Free Attendance (including a meal)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of her performance of the event and does not involve a gift to her or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are not registered lobbyists or lobbying organizations, therefore the Ethics Pledge is not implicated.

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. Catherine,

It was good to talk to you last week about the upcoming CEC Council Session in Charlottetown. As we discussed, I reached out to our communications and advance staff about convening a conference call this week to discuss the public portions of the CEC meeting. We would be available for this call on the Wednesday morning, May 18 - is this convenient for Canada?

We look forward to talking with you.

Hi there,

There are no ethics concerns with respect to this event. It may be important to know that the organization extending the offer is a lobbying organization. The White House Ethics Pledge prohibits acceptance of gifts from lobbyists, but as there is no gift offered, the Ethics Pledge is not implicated. This information is provided solely for your consideration. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are registered lobbyists or lobbying organizations, therefore if the official speaks, he must be careful about the organization offering him a tangible gift to take home with him.

Acceptance of Free Attendance (including meals)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

Hi Sydney,

There are no ethics concerns with respect to this event. It may be important to know that the organization extending the offer is a lobbying organization. The White House Ethics Pledge prohibits acceptance of gifts from lobbyists, but as there is no gift offered, the Ethics Pledge is not implicated. This information is provided solely for your consideration. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are registered lobbyists or lobbying organizations, therefore if the official speaks, he must be careful about the organization offering him a tangible gift to take home with her.

Acceptance of Free Attendance (including meals)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

Evening Sydney,

There are no ethics concerns with respect to this event. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are not registered lobbyists or lobbying organizations, therefore the Ethics Pledge is not implicated.

Acceptance of Free Attendance (including a meal)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

Location Conference Call
Show Time As Tentative
Hopefully the last change. I have rescheduled to 4:00-4:30 est on Thursday 1st. Thank you.

I am changing the time. I forgot to take into account time zones.

Please feel free to invite others who should be included. I have scheduled a conference call for Wednesday 31st.

Call in details

Dial In: (b) (6)

Conference Code: (b) (6)

Subject: RE: CQ-835398 Region III

FYI – please see below, regarding a revised report from NAHE (attached). This was the second revision. This report reflects administrative charges of \$37,190 added to the LTD column, only. There will need to be a 3rd qtr. report to account for the \$40,974 payment to NAHE made on 4/14/17.

It should be noted that 15% of the total award of \$8,237,999 is equal to \$1,235,700. The LTD amount report on the attached revision exceeds this total by \$150,497.

Therefore, the 3rd qtr. report should show the appropriate adjustments to operating expenses (and reduced admin. Total) or a refund to EPA for Admin. Expenses in excess of the 15% limit. It should also be noted that if a de-obligation is necessary, the allowable 15% administrative charges will be lower than noted above. Further, as it was noted that the final FFR for this grant has been processed, it is anticipated that the 3rd qtr. report should reflect the final report of

expenditures completely and accurately.

Thank you all for your time and attention to this matter.

Hi there,

There are no ethics concerns with respect to this event. It may be important to know that the organization extending the offer is a lobbying organization. The White House Ethics Pledge prohibits acceptance of gifts from lobbyists, but as there is no gift offered, the Ethics Pledge is not implicated. This information is provided solely for your consideration. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are registered lobbyists or lobbying organizations, therefore if the official speaks, he must be careful about the organization offering him a tangible gift to take home with him.

Acceptance of Free Attendance (including meals)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

Subject Tour and Meeting with Ardagh

Location Sapulpa, OK

Show Time As Tentative

Topic: “In 2014, Ardagh purchased Saint-Gobain Containers. Prior to that purchase, in 2010, Saint-Gobain entered into a Global Consent Decree with EPA to decrease emissions from their 29 furnaces. EPA and Saint-Gobain agreed to a long term schedule for emission controls at each of their plants. Saint-Gobain was the only glass container manufacturer to sign such an agreement with EPA. Ardagh has invested \$95M in capital to install emissions controls and equipment under the Global Consent Decree. Since 2010, NOX, SOx and particulate matter emissions have been reduced significantly in the plants. The last major projects under the Global Consent Decree are scheduled for 2018. Sapulpa is one and Lincoln, Illinois is the other. Lincoln is unusual because it has only one furnace compared to the more typical 2 – 3 furnace operations (Sapulpa has 3 furnaces). Installation of the required emissions control equipment in Lincoln would essentially make that plant not commercially viable. Moreover, Mexican and Chinese manufacturers ability to undercut the market, due to the fact they don’t pay good wages to their employees, they don’t have the environmental and business compliance costs we do, nor do they deal with spiraling healthcare costs, has led to a decline in North American glass container manufacturing. Ardagh has had to shut down one plant in Salem, New Jersey in 2014 and has idled a furnace in 2017 at its Wilson, North Carolina plant. We are looking for ways to keep Lincoln open. Ardagh has ambitious plans to invest in its US manufacturing network—and Sapulpa in particular—to compete successfully against growing foreign competition. Ardagh would like to discuss ways in which it can meet its environmental compliance obligations while retaining the operational flexibility to compete in this market.”

To him - cc Reeder and Kling Barnet, Taylor Mazakas and Sullivan

I appreciate the invite and please coordinate a time Monday early to mid day to discuss this program and the implementation of the ITP with me prior to the event on Tuesday. In fact we are pleased to know it is behind schedule and would like to assist with its direction.

Myself and the Chief of Staff have specific guidance on where this program should be and we don't want to confuse anyone moving forward.

Colleagues,

As many of you know, EPA's Office of Homeland Security helped coordinate the Administrator's approval of a mandatory Insider Threat Program (ITP) policy in mid-September 2016 and we been in the implementation phase of a required Agency ITP, which is behind schedule.

Next Tuesday (June 27), representatives from the Office of the Director of National Intelligence (ODNI) and staff from the National Insider Threat Task Force (NITTF) will be conducting the 2016 annual assessment out brief of our ITP. These interagency colleagues, who monitor our program progress, will provide a classified (SECRET//NOFORN) briefing and read-out of its assessment to EPA, and NITTF has strongly encouraged all of EPA's ITP principal offices to attend.

The assessment is set from (10-11 a.m.) Tuesday, June 27, in EPA's Emergency Operations Center (EOC) conference room - SAF

The meeting will provide a picture of our current status, identify key areas of future focus and highlight what the agency needs to achieve for Initial Operating Capability and then Full Operating Capability for this program.

Agenda: The agenda for the reassessment onsite discussion will consist of:

- Introductions.
- Assessment Overview (the NITTF Assessment Team will provide a brief overview of the process).

- EPA Insider Threat Program Overview (EPA will provide an overview of our program, updating the Assessment Team on progress since the 2016 assessment).
- Conclusion and Next Steps.

The Assessment Team will be composed of a combination of subject matter experts in insider threat, counterintelligence, assessment methodologies, security, technical solutions, information assurance, and legal SMEs.

If you do not have a SECRET clearance, you may still be able to attend the assessment part of the briefing.
The User Activity Monitoring (UAM) discussion is at the SECRET level and will be briefed separately.

If you have questions, please respond or call me at 202 564-6971 or OHS' Steve Williams at 202 564-6954.

We look forward to your participation.

The annual National Insider Threat Task Force (NITTF), Insider Threat Program Assessment 2016 out brief will be in the ECO SAF.
The large EOC conferee room is under construction and not available for classified discussions.

 Hi Everyone- Thanks in advance for making this time work later today. I will join the call for the first thirty minutes, but then will leave folks to finish the second half without me as I need to be on a different call with outside folks. Maddie, if you could circulate or have someone who is in the office circulate the sample days/weeks that we can walk through on the call that would be great.

Thanks,

Kevin

Millan,

As requested, I'm reaching out to schedule a meeting with you and Kevin on Wednesday of next week to discuss calendars (Kevin – I hope your travel has gone well). I have some papers to provide in advance. Are you in tomorrow? (Friday) If so, I can drop them by your office in hard copy? Let me know if that would be OK, and please let me know if any other info would be helpful prior to Wednesday's meeting. I'm suggesting a space up here on the 7th floor in OGC, but if there's a space to accommodate a group on the third floor you'd prefer, please feel free to let us know! The advance paperwork will be critical. Given the production deadline in this case (9/25), I'm hoping that we can close the loop on the records issues when we meet on 9/20. I want to make sure you and Kevin know exactly what our questions are in advance so that you can let me know if other people need to be looped in and/or if you need additional info to answer the questions.

Thanks again for your time and assistance!

Subject WJCN 2530
Location Training for Active Shooter Preparedness
Show Time As Tentative
 AO Colleagues,

Please plan on attending EPA's Active Shooter Response Training on Thursday, December 7th in WJCN 2530 starting at 9:00 AM.

It's important to prepare for a possible active shooter situation by locating the primary and alternate exits closest to you and walking through your work area to identify:

- * Potential hiding places that provide cover (ballistic protection) and concealment (shooter cannot see you).
- * Items nearby that could improve cover/concealment.
- * Ordinary office items you could use to defend yourself against an attacker/active shooter.

You are strongly encouraged to review the Occupant Emergency Plan (OEP) for the building where you work; please visit the HQ Security in the Workplace <<http://intranet.epa.gov/oa/smd/hqsecurity/oep-index.htm>> intranet site to access the OEPs for Headquarters buildings. More information can be found on the Active Shooter Response and Preparedness <<http://intranet.epa.gov/oa/smd/activeshooterresponsetraining.html>> intranet site.

Remember, during an Active Shooter event, you have three options based on where you are when you hear shots fired:

1. RUN: evacuate.
2. HIDE: seek cover and concealment.
3. FIGHT: take aggressive action.

If you have questions, please contact Bill Bellerose, HQ OEP Program Manager, at 202-566-2191 or bellerose.william@epa.gov <<mailto:bellerose.william@epa.gov>> .

Time 12:30 PM – 1:00 PM
Subject Operations
Location Helena's Office
Show Time As Busy

The topics that I want to discuss are as following:

1. travel, strategy, and approval of Schedule C/AD/NC-SES travelers
2. time and attendance of Schedule C/AD/NC-SES employees
3. Pay - if there are questions who do they go to?
4. Time off awards - can folks give and/receive?
5. FY 18 Performance Agreements for everyone (esp the SES) - this

needs to be done ASAP.

6. Benefits and questions regarding Schedule C and AD appointments.
Can employers be converted from Schedule C to AD? Can Either be promoted and if so can what is the process?

7. Support - if folks want support should they receive a political appointee because of the confidential relationship or can it be a career?

I have invited Milian because of the first topic.
